

Bidding Expert (Hungary)

Established in 2007, Solarpro is one of the leading players in the Central and Eastern Europe in the renewable energy solutions (photovoltaics sector). With over 1 000 employees in 9 countries, we offer wide range of smart energy systems and solutions. With more than 5 GWp installed capacity and more than 100 PV plants under operation, we have gained significant experience in engineering, installation, operation and maintenance of PV systems (on-grid, off-grid and hybrid). We have been trading for over 13 years and take pride in delivering project specific solutions, sustainable results and added value to our clients.

> MAIN RESPONSIBILITIES

- Look out for suitable business opportunities in the form of clients, investors or Government bids and tenders
