

Financial Reporting and Consolidations Expert

GLOBAL PROVIDER OF **INNOVATIVE PV SOLUTIONS**

Established in 2007, Solarpro is one of the leading players in the Central and Eastern Europe in the renewable energy solutions (photovoltaics sector). With over 1 000 employees in 9 countries, we offer wide range of smart energy systems and solutions. With more than 5 GWp installed capacity and more than 100 PV plants under operation, we have gained significant experience in engineering, installation, operation and maintenance of PV systems (on-grid, off-grid and hybrid). We have been trading for over 13 years and take pride in delivering project specific solutions, sustainable results and added value to our clients. Currently we are looking for a Financial Reporting and Consolidations Expert.

> MAIN RESPONSIBILITIES:

- Manage the consolidation process including the review of consolidation and elimination of intercompany transactions, investment in subsidiary equity and other related transactions
- Liaison with external auditors and assist with coordinating consolidated annual financial statement audit
- Collaborate and work cross-functionally with finance personnel, department managers, auditors, accounting consultants, and other stakeholders, as necessary
- Implement internal control improvements, including the roll-out of formal policies for journal entry approvals and balance sheet reconciliations
- Review the monthly consolidation to ensure accuracy and follow up with individual locations as necessary.
- Oversee the maintenance and management of global accounting policies and certain complex accounting areas.
- Assist in making the audit process more efficient, cost effective and managing the relationship with company auditors.

> REQUIREMENTS:

- Bachelor's degree in Accounting or Finance required;
- 4-6 years of audit or financial accounting experience in a construction environment (preferred);
- 2 years of experience having a responsibility with internal & external financial statement reporting and consolidations
- Strong understanding of accounting consolidation systems, legal entity reporting and finance master data governance
- Experience partnering with senior executives and developing plans to meet internal and external financial reporting requirements
- Excellent PC skills required and proficiency in Excel

> WE OFFER:

- Development in a multinational company operating in several EU countries;
- Opportunity to gain knowledge in highly developing sector in the field of green energy and environment friendly solutions;
- Excellent working conditions including opportunities for home office, social benefits, etc.;
- Be part of a team of professionals, knowledge leaders in PV sector in East Europe.
