

ESG Senior Expert

GLOBAL PROVIDER OF **INNOVATIVE PV SOLUTIONS**

Established in 2007, Solarpro is one of the leading players in Central and Eastern Europe in the renewable energy solutions (photovoltaics sector). With over 1 000 employees in 9 countries, we offer wide range of smart energy systems and solutions. With more than 6 GWp installed capacity and more than 100 PV plants under operation, we have gained significant experience in engineering, installation, operation and maintenance of PV systems (on-grid, off-grid and hybrid). We have been trading for over 14 years and take pride in delivering project specific solutions, sustainable results and added value to our clients.

Currently we are looking for an **ESG Senior Expert**.

➤ MAIN RESPONSIBILITIES:

- Conduct ESG assessments and develop ESG strategies for companies in the Group;
- Supervise and enhance the analysis of corporate activities and provide recommendations related to enhance their sustainability/ESG strategy, methods, framework, and related tools to support clients in achieving their sustainability/ ESG objectives;
- Provide advice on ESG regulations and reporting requirements;
- Assist internal clients with ESG reporting and disclosure, including preparing sustainability report and responding to sustainability surveys;
- Develop and deliver ESG training programs if needed;
- Stay up-to-date with ESG trends, standards, and best practices.

➤ REQUIREMENTS:

- Bachelor's degree in ESG/Sustainability or equivalent studies;
- 4-5 years of previous work experience;
- Understanding of the following concepts and frameworks preferred: Global Reporting Initiative (GRI), Sustainable Development Goals (SDGs), United Nations Global Compact (UNGC) and others;
- Experience with sustainability consulting is preferred (including sustainability strategy, reporting and assurance);
- Strong analytical, communication, presentation and report writing skills;
- Proficiency in English.

➤ WE OFFER:

- Development in a multinational company operating in several EU countries;
- Opportunity to gain knowledge in highly developing sector in the field of green energy and environment friendly solutions;
- Excellent working conditions including opportunities for home office, social benefits, etc.;
- Be part of a team of professionals, knowledge leaders in PV sector in Eastern Europe.
